

## Web Test: How to Enter a Test

Entering your test results on the web will save you time and money. You will be able to print a clean, professional completed test report for your customer. There will be a short and almost painless learning curve.

A login form titled "Login to your Account". It contains two input fields: "User Name" and "Password". Below the "Password" field is a checkbox labeled "Remember me on this computer". A blue "Login" button is located at the bottom right of the form.

- ❖ Enter your 'user name' and 'password' to login to the web test entry site. User names and passwords are issues by the utility.
- ❖ If you are working for more than one company the **Main** screen will reflect this and include all company names allowing you to select the appropriate company.
  - Your name along with the company's name will appear at the top of the page.
  - If you work for more than 1 company, once you selected the company's name you selected will appear at the top of the page followed by [click to change](#)
    - ↳ This link allows you to change which company you are logged in under without having logout and then back in.

The screenshot shows the "Main" screen for a user logged in with J.E.M. Plumbing Inc. At the top, a navigation bar contains links: [Main](#), [Add Test](#), [Review Tests](#), [Add to Account](#), [View Cart](#), and [Logout](#). Below the navigation bar, a message states "Robert Mitchell is logged in with J.E.M. Plumbing Inc." followed by a sample message: "\*\*This is a sample message, your utility controls this message\*\*". A "Select a Company" dropdown menu is shown with "J.E.M. Plumbing Inc." selected. A red arrow points to this selection with the label "Tester with 1 Company".

The screenshot shows the "Main" screen for a user logged in with James Belzer. The navigation bar is identical to the previous screenshot. The message states "James Belzer is logged in." followed by the same sample message. The "Select a Company" dropdown menu shows two options: "HCI Mechanical" and "Ramm Plumbing Company". A red arrow points to this list with the label "Tester with 2 or more Companies".

- ❖ To enter test results, first you need to find the correct backflow assembly via the *Device Profile Search* screen, by clicking the **Add Test** button located in the top toolbar.

<a href="#">Main</a>	<b><a href="#">Add Test</a></b>	<a href="#">Review Tests</a>	<a href="#">Add to Account</a>	<a href="#">View Cart</a>	<a href="#">Logout</a>
----------------------	---------------------------------	------------------------------	--------------------------------	---------------------------	------------------------

- ❖ To find the backflow assembly enter the **Serial #** and the **House/Building #** -OR- the **Hazard #** \* (\*utility provides #)

<a href="#">Main</a>	<a href="#">Add Test</a>	<a href="#">Review Tests</a>	<a href="#">View Cart</a>	<a href="#">Logout</a>
----------------------	--------------------------	------------------------------	---------------------------	------------------------

George Bigler is logged in.

#### Device Profile Search

\* Indicates Required Field

\* Serial Number

\* House/Building Number

OR

\* Hazard #

**Locate Device** or [Clear Form](#)

- ❖ Whether you search by **Serial #** and the **House/Building #** -OR- the **Hazard #**, once you click the **Locate Device** button, the *Verify Site Profile* screen appears;
- ❖ Notice the Last Test Date and Time are displayed at the top-middle of the *Verify Site Profile* screen

#### Verify Site Profile

☒ This is Correct
 ☐ Make Changes
 **Last Test Date: 1/27/2009 12:00:00 AM**
☒ Existing Device
 ☐ Replace Device

Address

Customer

Location

Hazard

Meter Number  Model

Serial Number  Type

Manufacturer  Size

**Confirm and Enter Results** or [Cancel](#)

- ❖ The *Verify Site Profile* screen allows you to verify or make changes to the site and/or device data. If no changes are necessary, click the **Confirm and Enter Results** button at the bottom of the screen.

- If the Assembly information is different than what appears on the screen, select '**Make Changes**' at the top left-hand side of the *Verify Site Profile* screen to edit
  - ↳ Notice, all fields are no longer grayed out, allowing the you to edit the information

The screenshot shows the 'Verify Site Profile' screen. At the top, there are radio buttons for 'This is Correct', 'Make Changes' (which is selected and highlighted with a red box), and 'Replace Device'. To the right of these buttons is the text 'Last Test Date: 8/26/2014 12:00:00 AM'. Below the radio buttons, there are four input fields: 'Address' (1122 S Main St), 'Customer' (West Suburban Bank), 'Location' (Mech room), and 'Hazard' (Boiler And/or Heating Feed). These four fields are grouped together and highlighted with a red box. Below these fields, there are two columns of input fields. The left column contains 'Meter Number' (46280048), 'Serial Number' (W368389), and 'Manufacturer' (WILKINS). The right column contains 'Model' (975XL), 'Type' (RP), and 'Size' (0.5). At the bottom of the screen, there is a green button labeled 'Confirm and Enter Results' and a blue link labeled 'or Cancel'.

- If you have tested an assembly that has replaced the assembly on the screen, select '**Replace Device**' at the top right-hand side of the *Verify Site Profile* screen to edit
  - ↳ Notice, the bottom (device) fields, excluding the Meter #, are no longer grayed out, allowing you to edit the information.

The screenshot shows the 'Verify Site Profile' screen. At the top, there are radio buttons for 'This is Correct', 'Make Changes', and 'Replace Device' (which is selected and highlighted with a red box). To the right of these buttons is the text 'Last Test Date: 8/26/2014 12:00:00 AM'. Below the radio buttons, there are four input fields: 'Address' (1122 S Main St), 'Customer' (West Suburban Bank), 'Location' (Mech room), and 'Hazard' (Boiler And/or Heating Feed). These four fields are grayed out. Below these fields, there are two columns of input fields. The left column contains 'Meter Number' (46280048), 'Serial Number' (empty), and 'Manufacturer' (empty). The right column contains 'Model' (empty), 'Type' (empty), and 'Size' (empty). These six fields are grouped together and highlighted with a red box. At the bottom of the screen, there is a green button labeled 'Confirm and Enter Results' and a blue link labeled 'or Cancel'.

\*\*\* This updated information is both valuable and appreciated by the utility \*\*\*

- ❖ Once any necessary changes have been made click the **Confirm and Enter Results** button to proceed to the *Test Data Entry* screen.

❖ Based off the **Serial #** and the **House/Building #** -OR- the **Hazard #** you searched for, the appropriate **‘Device Type’ Test Data Entry** screen will appear.

- In the top row of the *Test Data Entry* screen the **‘Device Type’** code will appear; **PB, DC** or **PVB/SVB**. See examples of each screen below and on pages 5 & 6.

### Example of Device Type: **RP**

Submit Tests
Print Test Report

- ❖ When you click the **Print Test Report** button, the print preview screen will appear. To be able to print the document, you must first export the document into a PDF or another application.

- ❖ In the far top left-hand corner of the screen, there are 2 options to allow you to export the report so you can print
- The printer icon on the left exports the document into a PDF allowing you to then print
  - The arrow icon on the right allows you to select which program to export the document into using the drop-down menu, which will then allow you to print.

- ❖ No matter which option you choose, once ready, click the **Export** button at the bottom right of the window.
  - The test report will export to a PDF or the selected program and appear in the bottom toolbar of the screen (or in your Downloads folder) allowing you to open, save and print the exported document.
- ❖ Now, going back to explain in further detail what to do when you click the **Submit Tests** button and are directed to the *Shopping Cart* screen.
  - Here you can return to the *Test Data Entry* screen by clicking on the [Serial #](#), remove the submitted test from the Shopping Cart by clicking [Remove](#) or [Proceed to Checkout](#)

Shopping Cart

[Return to Test Data Summary](#)

Serial#	Address	Price	Remove
<a href="#">66504X</a>	8888 SW 136TH ST - Back of Mall next to Macys receiving doors	\$0.49	<a href="#">Remove</a>
		Subtotal:	\$0.49
		<b>Total Due:</b>	<b>\$0.49</b>

Proceed to Checkout

- If you return to the *Test Data Entry* screen, follow the steps from earlier explaining how to edit an un-submitted test (on page 7)
- If you choose to [Remove](#) the submitted test from your *Shopping Cart*, it will be returned to the *Review Tests* screen and will appear under the un-submitted tab.

- ❖ If everything is ok with the items in your *Shopping Cart*, you can click **Proceed to Checkout** to advance to the *Checkout* screen where you can complete the test report submission.

❖ **For utilities who are requiring a per test fee:**

You need to add a method of payment to your \*profile. You have two options as to how your test feepayments will be charged to your credit card, either on a per-test basis or deducted from your “account”. The most economical is to have tests deducted from your account. Tests submitted individually or in groups of less than five at a time, will be charged a service fee of 50 cents per test.

**\*The information you enter will be stored in your profile and available future use.**

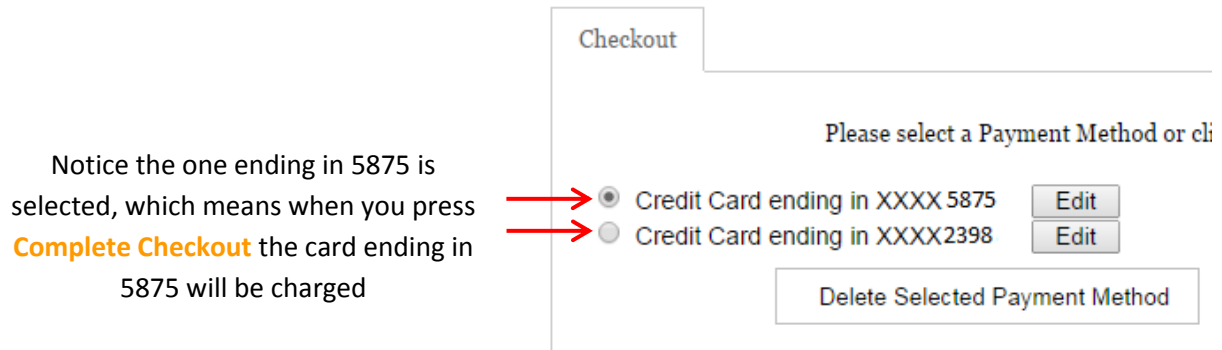

**Service Fee:** If you submit **less than five tests per transaction**, a service charge of 50 cents will be applied to each test. For example: if you submit 3 tests (with a fee of \$1.00 each) your credit card will be charged \$4.50 (\$1.00 per test plus a 50 cent service fee per test). Transactions of 5 tests or more will not be charged a service fee. The easiest method of payment is to ‘Establish an Account’ - see the details below.

Click **‘Add a Payment Method’** and follow the steps below on how to add a method of payment.

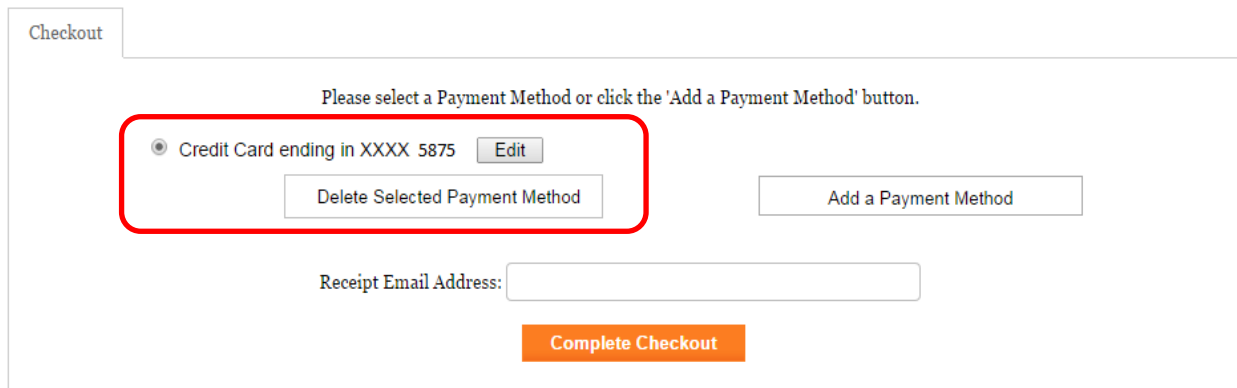

- To add a payment method, click on the button **‘Add a Payment Method’**.
  1. Credit Card Payment at time of submittal: Enter a debit or credit card and the billing information then click **‘Save’** to return to the *Checkout* screen. To return to the *Checkout* screen without saving or adding any card information, click Cancel.

- The last 4 digits of the newly added card will now appear on the *Checkout* screen, to be used to complete the transaction.

2. Create a Credit Card Account: Establishing an “account” and preloading the “account” means your credit card to be charged the dollar amount you select. The test fees can be deducted from the “account” moving forward. Example: if you add \$100.00 to your “account” than your credit card is only charged the \$100.00 at that time and the individual test fee’s will be deducted from the established “account” leaving you with a remaining balance which can be added to at any time.
- The system does allow for more than one card to be stored in your profile. Just be sure the correct one is selected before you click **Complete Checkout**.

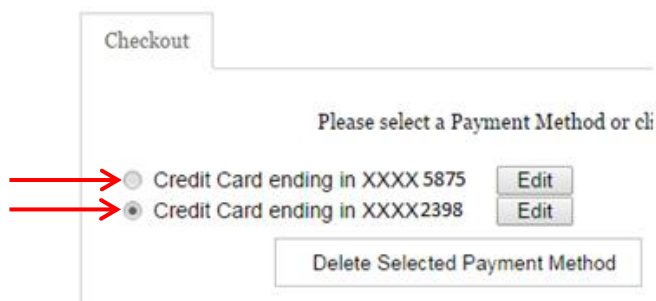

- ❖ You can also Edit the card information by clicking the **Edit** button next to that card number.

- ❖ Any card stored in your profile can be deleted from the *Checkout* screen
  - First, select the card number you wish to delete and click the **‘Delete Selected Payment Method’** button.

\*\*\*Please Note: At this time there is no warning message when deleting a card stored in your profile. If a card is deleted in error, follow the previous steps to **‘Add a Payment Method’** and re-enter the card information.\*\*\*

Notice the one ending in 2398 is selected, which means when you press the **‘Delete Selected Payment Method’** button the card ending in 2398 will immediately be deleted without a warning message

- ❖ Once the necessary card information has been saved, enter your email address in the **Receipt Email Address** field on the *Checkout* screen and click the **Complete Checkout** button.

Checkout

Please select a Payment Method or click the 'Add a Payment Method' button.

☒ Credit Card ending in XXXX 5875

Receipt Email Address:

- If you forget to enter your email address on the *Checkout* screen you have the option to print a copy of the receipt from the *Checkout Receipt* screen by clicking the **Print Receipt** button.

Checkout Receipt

Serial#	Description	Price
W368389	1122 S Main St - Mech room	\$1.50

Subtotal: \$1.50

Transaction Id: 6579266786

Total Paid: \$1.50

- If you click the **OK** button on the *Checkout Receipt* screen you will be returned to the Main screen, where it is indicated that your transaction has been successfully processed.
